About the photo contest

The international photo contest "**Mother and Children in national costumes**" is designed to demonstrate the national flavor of the peoples of the participating countries by expressing the diversity of their nation's culture through national costume, with the help of talented works of photo artists.

Implementation of measures **The international photo contest "Mother and children in national costumes"** is aimed at helping to preserve the national identity of the peoples of Russia and the participating countries in the conditions of the increasing pace of globalization of society.

The national costume is an invaluable heritage of the culture of the people, accumulated over the centuries. The costume of every nation is not something unchangeable. It develops taking into account the climate, geography and socio-economic conditions. In addition, the national costume is an integral attribute of folk rituals, contributes to the preservation of traditions.

The international photo contest "Mother and children in national costumes" implies the selection of the best works, the organization and holding of an exclusive photo exhibition in Russia, Italy, Hungary and other countries.

Objectives of the photo contest

- Return to the historical origins of the national costume;
- Preservation of the cultural heritage of the multinational society of the world;
- development of cultural and historical interest among young people in the original culture of the peoples of the world; Expansion and strengthening of interregional and international business cooperation in the field of culture and art.
- Drawing attention to the origins of the identity of the peoples of the world through the national costume
- Creation of a unique platform for uniting the peoples of the world of different faiths and political views through the presentation of national costume .Drawing attention to the origins of the identity of the peoples of the world through the national costume.
- Preservation and study of family traditions, folk culture, customs through national costume.
- To fully convey the whole essence and mentality of each country through a thematic photo of a mother and children in a national costume.
